CK EARTH BOSS

The earth boss is designed to provide an earth connection point on a steel structure. the boss is welded onto steel vessels, tanks and other structures. These earth points allow easy access for the lightning protection earthing system. The primary purpose of earthing is to reduce the risk of serious electric shock from current leaking into uninsulated metal parts of an metal structure.

Length	Diameter	Tread size	Material	Part No
30mm	40mm	M10 x 60mmL	Mild Steel	CK-MS-3040
30mm	40mm	M10 x 60mmL	SS316	CK-SS-3040

Earth boss manufactured from mild / carbon steel or SS316 complete with SS316 stud, nuts and washers
